- Build lifelong friendships
- Discover new cultures across Europe
- Grow your confidence and independence
- Be part of something bigger with North Yorkshire Scouts

Europe 27 isn't just a trip—it's a journey of personal growth, unforgettable memories, and shared experiences.

Running alongside the World Scout Jamboree (so you'll need to pick one!), this opportunity is perfect for those ready to explore, connect, and thrive.

Spaces are limited - apply now and you could soon be starting your adventure....

The application process is combined with the application process for the 26th World Scout Jamboree, so you can apply for either or both at the same time. Apply [here](#).

The selected participants will shape the event by planning where we go and what we do. Here are some potential ideas:

- Day visit to World Scout Jamboree in Gdansk (Poland)
- Visit to Haarlem international Jamborette (Holland)
- Trekking in the Tatra mountains (Poland)
- Stay at Kandersteg International scout centre (Switzerland)
- Meeting local scouts for joint activities/camps
- Sightseeing
- Scenic railways through the alps
- Exploring off the beaten track

Travel will be predominantly by train, staying in bunkhouses and campsites.
