If you were born between 30th July 2009 and 30th July 2013, this is your chance to:

- Build lifelong friendships
- Discover new cultures and shared experiences with people from all over the world
- Grow your confidence and independence
- Be part of something bigger with North Yorkshire Scouts

The World Scout Jamboree is an experience like no other. You will not only experience a new country, but also experience different cultures, foods and traditions. Whether it's sharing a meal with the country you are camping next to, singing karaoke in a new language or trying something adventurous, there is something for everyone.

As a unit, we will spend the next 18 months - 2 years developing our skills before heading to the Jamboree in July 2027. We will learn to work together, build our identity as a unit, come together across multiple camps to learn about each other and the Jamboree and most importantly, have fun! So come and join us on the adventure to Poland!

The application process is combined with the application process for the Europe 2027 Trip, so you can apply for either or both at the same time. The application form can be found [here](#).

We wish you the best of luck with your application!
